POLICY

1. School profile

Mount Rowan Secondary College was established in 2019 after the demerge of Ballarat Secondary College. It is located in the north-west of Ballarat approximately 110 kms north west of Melbourne. Mount Rowan Secondary College is comprised of 680 students enrolled from Years 7 to 12 and 125

Our local community of Creswick, Clunes, Mount Blowhard, Miners Rest, Wendouree, Invermay and Ballarat North is growing each year and is very supportive of the school being the only Government Secondary College in the area. We have very strong ties with our local feeder schools in the area as well as local community groups and welcome opening our school facilities for their use.

Most students who attend our school live locally and many walk and ride to school. We have a significant population of students from local rural areas West and North Ballarat and these students rely on buses to transport them to school.

We are an inclusive and supportive environment and are continuing to grow in both our Indigenous and culturally diverse population. We celebrate difference, inclusion and understanding.

We strive to provide a supportive and challenging learning environment for all students and staff and aim to provide every member of community with the confidence and support to learn and grow to the best of their ability. We recognise that learning is not simply an academic pursuit and we reinforce with our students the importance of their social and emotional wellbeing as well.

6. Student behavioural expectations and management

Behavioural expectations of students, staff and families are grounded in our school's Statement of Values.

Violence, bullying, and other offensive and harmful behaviours such as racism, harassment and discrimination will not be tolerated and will be managed in accordance with this policy. Student bullying behaviour will be responded to consistently with Mount Rowan Secondary College's Bullying Prevention policy.

When a student acts in breach of the behaviour standards of our school community, Mount Rowan Secondary College will institute a staged response, consistent with the Department's policies on behaviour, discipline and student wellbeing and engagement. Where appropriate, parents will be informed about the inappropriate behaviour and the disciplinary action taken by teachers and other school staff.

Our school considers, explores and implement positive and non-punitive interventions to support student behaviour before considering disciplinary measures such as detention, withdrawal of privileges or withdrawal from class.

Disciplinary measures may be used as part of a staged response to inappropriate behaviour in combination with other engagement and support strategies to ensure that factors that may have contributed to the student's behaviour are identified and addressed. Disciplinary measures at our school will be applied fairly and consistently. Students will always be provided with an opportunity to be heard.

Disciplinary measures that may be applied include:

- warning a student that their behaviour is inappropriate
- teacher controlled consequences such as moving a student in a classroom or other reasonable and proportionate responses to misbehaviour
- withdrawal of privileges
- referral to the Year Level Coordinator
- restorative practices
